

Primary Parking is "A", "B", & "C" parking, and can be used all hours of the day. These parking lots are highlighted on this map in the color white.

Secondary parking options are available on a limited basis and are "Before Business Hours ... or After Business Hours" only because we are borrowing a business neighbor's parking lot.

Please be mindful and very respectful to use these parking lots only if you are in a 5:45 AM or 6:30 AM class ... or if you workout after 5:15 PM

Secondary parking lots are highlighted in light yellow.
